

# DANCEWALK

**Fluxum Foundation** and **Flux Laboratory Athens** collaborate with **Neopost Foofwa Company** presenting the project [DANCEWALK](#) in Greece. A Greek - Swiss artistic initiative under the aegis of the **Embassy of Switzerland in Greece** and the **City of Athens**.

On **Thursday 5 November 2020** the performance "Dancewalk – Retroperspectives" will be presented at the Technopolis City of Athens Amphitheatre with parallel live streaming. On stage, a dancers will narrate the history of 700km of Dancewalk that have been run around the entire world. Dancewalk is a practice developed by choreographer and dancer Foofwa d'Imobilité . Until today 50 versions of Dancewalk have been presented worldwide.

In Greece, the choreographer transmits this dance technique to 6 Greek dancers who act as the Greek ambassadors of the Dancewalk project. This experience is integrated on scene on the 5th of November.

On Sunday the 8<sup>th</sup> of November, the official day of the Athens Marathon, Dancewalk is presented as an alternative. We invite you all to dance symbolically, creating your own choreography wherever you stand.

**"What is important is to dance life"** Cynthia Odier, Founder of Fluxum Foundation and Flux Laboratory and Artistic Director

**"Run, walk, dance. Keep on expressing ourselves through movement and art !"** Olaf Kjelsen, Ambassador of Switzerland in Greece
